TECHTALK – \$1,250

(no fee, unless selected)

MicroTAS 2025 introduces *Industry TechTalks*, providing our benefactors with the opportunity to deliver a 15-minute presentation within one of the parallel streams of the technical program. These will be scheduled between a keynote lecture and the technical program to create a thematic session.

- All benefactors are invited to submit an *Expression of Interest – EOI (short proposal; 500 words)* describing their *TechTalk* by Tuesday, 22 July 2025.
- *TechTalk* EOI's will be evaluated and ranked by the Sponsor and Exhibitor Committee.
- Ranked EOI's will be aligned with orals identified from the technical program process to create a thematic session.
- Benefactors are encouraged to promote submission of technical abstracts to **MicroTAS** through their network to increase likelihood of having a thematic session.
- Successful contributors will be contacted at the same time as abstracts submitted through the technical program for confirmation and payment.
- Benefactors may submit more than one EOI, but will only be awarded one EOI.
- Send EOI to exhibits@microtas2025.org by Tuesday, 22 July 2025.
